

Add SMS Credits

1. Login to your Account and select the **My Account** menu and click on **Add Credit**.

The image shows two parts of the user interface. On the left is a vertical menu with the following items: > SMS Templates, > Developers, Download, My Account, • Add Credits (highlighted in yellow with a green arrow pointing to it), • Edit Profile, • Transactions, • Tariff, • SMS Terms, • Support, > SMS Log, and > Help. On the right is the 'Add Credits' page. It features a table with columns for package size, credits, and validity. Below the table is a form with fields for 'SMS Package Purchased', 'SMS Credits Purchased', and a note: '[Note: Every Next Purchase of SMS Credits WILL be of an Upgraded SMS Package to the next Purchase.]'. The table data is as follows:

| Package Size | Credits | Validity of SMS Service (Days) |
|--------------|------------|--------------------------------|
| 50L | 5,000,000 | 2,500,000 |
| 100L | 10,000,000 | 5,000,000 |
| 200L | 20,000,000 | 10,000,000 |
| 300L | 30,000,000 | 15,000,000 |

2. Enter the how many SMS Credits u want to purchase and click on Purchase Button.
 - For Example if u want to purchase 10000 SMS credits so u have to enter **10000** in **SMS Credits to purchase** Box.

The image shows a form titled 'Purchase the Promotional Offer'. It contains the following fields and options:
